# Korn Ferry Leadership Architect™ Virtual Certification Course

## Evolve your competency model

Built on best practices and decades of research, the new Korn Ferry Leadership Architect™ offers the most powerful global framework available today. Learn how to implement all 38 competencies or a tailored model within your organisation to align your business strategy with your talent strategy.

### Objectives:

- Interpret the research and best practices behind the 38 competency framework.
- Identify differentiating competencies critical for success across an organisation.
- Compare competency data to normative research studies, including skill level in the workforce, performance correlations by level and risks of derailment.
- Recognise all 10 career stagers and stoppers and determine approaches for driving behaviour change.
- Differentiate development strategies for individuals at multiple levels.
- Explore how to implement competency models and language into existing HR and OD systems and processes.

### Outcome:

A global framework to drive higher business performance by effectively managing and developing your most important asset - your talent.

### Course Fee:

The fee for this virtual certification course is AUD \$3,125 plus GST per person. This includes course notes and the toolkit listed below.

### Toolkit:

You will receive the following tools:

- Korn Ferry leadership Architect™ Sort Card Deck & Quick Reference Guide
